

- What would happen if there was no gravity?
- What would happen if dogs could speak a human language?
- What would happen if it rained every Saturday?
- What would happen if singing was banned?
- What would happen if people didn't die?
- What would happen if we became more and more attractive with age?
- What would happen if we slept 23 hours a day and were up for only 1 hour?
- What would happen if there was just one sex?

- What would happen if all people looked identical?
- What would happen if TV commercials were banned?
- What would happen if our eyelashes grew like hair?
- What would happen if all water on the Earth was red?
- What would happen if milk was black?
- What would happen if there was a drug helping people make up their mind?
- What would happen if all animals were as smart as people?
