

live in another country

paint your room black

have a pet snake

sail around the world

work on a farm

sing in public

be a vegetarian

run a marathon

go on holiday alone

stay up all night

live in another country

paint your room black

have a pet snake

sail around the world

work on a farm

sing in public

be a vegetarian

run a marathon

go on holiday alone

stay up all night

live in another country

paint your room black

have a pet snake

sail around the world

work on a farm

sing in public

be a vegetarian

run a marathon

go on holiday alone

stay up all night

live in another country

paint your room black
